

## **Phillips 66 Eastern Masters Regional Championships, Okemo Mtn & Suicide Six, VT**

### **Feb. 25 – Mar. 1, 2015**

Two of the more popular masters racing sites, Okemo Mountain and Suicide Six will combine resources to host the 2015 Eastern Masters Championships. After a successful four-event 2014 National Championship series, Okemo Mountain will once again be offering a downhill, two super Gs, and giant slalom as part of the Eastern Championships. The slalom portion of the series will be held at Suicide Six.

Racers, who participated in the National Championship DH last season, are still raving about the Chief Racing Trail with its speed, rolls, and masters friendly terrain. The super G's and GS will also be contested on the Chief Racing Trail.

The slalom portion of the Eastern Championships will be held at Suicide Six, which is a 30-minute drive north to Woodstock. The Face of Suicide Six has long been one of the most favored racing trails in the East, and still lays claim to the longest ongoing trophy race in the country, the Fisk Trophy Race. The masters have been contesting the Bunny Bertram Memorial slalom at Suicide Six since the inception of masters ski racing in the 1970s.

The downhill and both SG's will count for the Molecule F National Speed Series; all five Championship races will be included in the Sise Cup scoring; and the first SG, slalom, and GS will be scored for the Eastern Championship Regional Team standings.

USSA "temp" memberships (\$25) will be available, which will allow entry into all five races of the series. Those racing on "temp" memberships will be eligible for daily race awards, but will not be included in the calculations for the Eastern Regional Team scoring.

With the support of Phillips 66 and the Vermont Orthopedic Center (VOC) the prizes, awards, and social events will be bountiful. The awards' party on Thursday afternoon after the DH race will be at the Outback Pizza, and following Friday's SG, the party will be at the Cool Moose Café. Both events will start at 3:30pm.

Discounted tickets for family and friends will be available.

Feb. 25 – two DH training runs - Okemo (at least one training run is required in order to race): Warm up 9:00-9:45; Inspection 10:00-11:00; Training run 11:15; training run 2 1:15
