

## US Alpine Masters 2021 Phillips 66 Western Regional Championships Regional Champions Team (Men)

The US Alpine Masters Regional Champions team is selected from the competitors in each class with the greatest total of World Cup points from their finishes in all of the events of the championship. The 2021 Western Region Championships were hosted by Northern division at Big Sky, MT on Feb. 5-7, 2021.

*Note: the 2021 Western Region Championships were held as a joint event with the FIS Masters Cup races. Following FIS rules, the men's classes are organized into Group A (18-59) and Group B (60-90+) rather than the 3 groups A/B/D used to organize US masters competitions.*
